

# Calgary Regional Consortium: 2020/21 Annual Plan

**3 Core Values** that guide our actions:

**Meaningful Relationships**

**Creative Problem Solving**

**Shared Responsibility**

**3 Key Mindsets** through which the CRC approaches our work:

**Collaborate & Co-Create**

**Creative Problem Solving**

**Build Capacity In Context**

Applying **3 Core Values**, and approaching our work with **3 Key Mindsets**, in the 2020/21 year the CRC will focus on achieving the goals for consortia by:

**Delivering professional learning that connects educators and enhances professional practice.**

- *Understanding Needs:* Regular needs assessments with educators at all levels of the system and with partners in our region will provide the foundation for our work.
- *Creating and Supporting Alignment:* Offer learning within AND across school authorities that support alignment between and within their 3 year education plans and the Alberta Business Plan for Education.
- *Fostering Connection:* Bring educators and partners together in collaboration to create synergies and common approaches across the region.

1

**Supporting purposeful engagement with resources developed by ARPDC &/or Alberta Education.**

- *Modelling:* Our professional learning experiences and communications will highlight useful and relevant AB ED & ARPDC resources and provide opportunities for educators and partners to think critically in engaging with them.
- *Raising Awareness:* Our communication channels will regularly feature resources developed by AB ED & ARPDC and support educators in applying them to their contexts.

2

**Finding innovative solutions to offer accessible professional learning during the Pandemic.**

- *Asking & Responding:* Meeting 1:1 with System and School Based leaders to collaborate in making learning available and responsive to needs given our current context will be our top priority.
- *Providing Variety:* We will collaborate with our provincial partners to offer a variety of synchronous and asynchronous professional learning opportunities that respond to the needs of our region.
