*Presented by: Garfield Gini-Newman*  
November 01, 2019 | 9:00 AM - 3:30 PM  
Audience: K-12 SCHOOL LEADERS, INSTRUCTIONAL COACHES, LEARNING LEADERS & TEACHERS

Empowering learners involves three interrelated facets: Deep Learning, Meaningful Learning and Active Engagement. Achieving deep learning that is transformative and transferable requires a focus on conceptual understanding. During this introductory day participants will explore what it means to teach conceptually and how to organize curriculum around richly provocative challenges that engage students and help them to make connections and see patterns in learning that allows for transfer.
