LITERACY Session For Grades 5-12 Educators

Deeper Learning through Interdisciplinary Literacy

Presented by: ReLeah Lent

September 29, 2017 | 9:00 AM - 3:30 PM
Located at: Ramada Plaza Calgary Airport

Remember when all teachers were to be "teachers of reading"—and those "strategy of the week" activities that teachers were asked to use whether or not they supported the curriculum or the learning goals? Thankfully, we now understand the importance of interdisciplinary literacy; reading, writing, speaking, reasoning and doing within the disciplines. With this approach, strategies morph into disciplinary tools that deepen student involvement and understanding in all subject areas. As students begin to use literacy the way experts do, they read and write about content, solve problems, ask questions, make decisions, discuss topics, and develop knowledge in a way that truly sticks. Join ReLeah Cossett Lent, author of This is Disciplinary Literacy, in an interactive workshop where teachers blend their subject expertise with relevant literacy practices that replace "covering" content with deep, engaged learning.

LITERACY Session For K-12 Educators

Visible Learning for Literacy

Presented by: Douglas Fisher

August 16, 2017 | 9:00 AM - 3:30 PM
Located at: Ramada Plaza Calgary Airport

On August 16th, Douglas Fisher will be in Calgary to present *Visible Learning for Literacy* (Fisher, Frey, Hattie, 2016). Doug co-authored this book with John Hattie & Nancy Frey.

Visible Learning for Literacy is a book you can literally read cover to cover in a weekend. Readers have been incredibly impressed with the strategies presented for immediate application in the classroom and building level support. Doug Fisher and Nancy Frey highlight the Visible Learning research in a way that is completely relatable to any position within a school division.
