## Featured Sessions

### High School Formative Assessment and Personalized Learning

Featuring: *Myron Dueck*  
April 26, 2018 | 9:00am-3:30pm  
Audience: High School Teachers and Administrators

In this session, high school teachers and administration will focus on the purpose of grading and how it relates to instruction. They will understand the value of clear learning targets and rubrics in the instructional process, as well as the role of student self reporting, power of ownership and engagement in assessment by creating assessments that have meaning to the instructional process. Lastly, participants will focus on the role of formative assessment in schools and how this fits into instruction.

### Leadership to Power Potential and Possibility

Featuring: *Dr. Peter Gamwell*  
May 1, 2018 | 9:00am-3:30pm

Audience: Lead Teachers, School Leaders, School Based Coaches, Department Heads, Associate Principals and Teachers interested in developing leadership skills

Take part in a four-part series leading participants on a personal exploration of their role in leadership and the competencies required to support positive learning experiences for all students within the shifting educational landscape of Alberta schools.

### First Nations, Métis, and Inuit: Think Indigenous – Culture Camp

Featuring: *Various Experts*  
May 31, 2018 | 7:30am-8:30pm  
June 1, 2018 | 7:30am-2:00pm

Audience: The cultural camp will allow school administrators, educators, learning leads, and support staff the opportunity to experience numerous firsthand teachings of Indigenous people's ways of knowing.

### Visible Learning Institute with John Hattie

Featuring: *John Hattie and Ainsley Rose*  
August 23-24, 2018

Register through Corwin Press: [www.corwin.com/CalgaryVL](http://www.corwin.com/CalgaryVL)  
Enjoy a discounted registration rate of \$399 CAD per person with promo code: CRC

In partnership with Corwin Press, join us for this two-day institute designed to provide participants with the tools to identify key takeaways from the visible learning research. Learn about the five strands of visible learning and identify the difference between influences that impact student achievement.

## SmartTalk

CRC has created a new online space where educators can connect, ask questions, and share resources together. Topics include: Education for Reconciliation, Mental Health, Literacy, and Mathematics.
