Featured Sessions

Creating Cultures of Thinking with Dr. Ron Ritchhart

Presented by: *Dr. Ron Ritchhart*

October 25, 2019 | 9:00 AM - 3:30 PM

Audience: K-12 TEACHERS, ADMINISTRATORS & SCHOOL LEADERS

During the workshop, we will focus on the practical and concrete ways educators can create a culture of thinking in their schools and classrooms, foster the kinds of thinking opportunities that lead to deep understanding of content, and how to look for evidence of student thinking and understanding.

Teaching for Conceptual Understanding

with *Dr. Garfield Gini-Newman*

Presented by: *Garfield Gini-Newman*

November 01, 2019 | 9:00 AM - 3:30 PM

Audience: K-12 SCHOOL LEADERS, INSTRUCTIONAL COACHES, LEARNING LEADERS & TEACHERS

Empowering learners involves three interrelated facets: Deep Learning, Meaningful Learning and Active Engagement. Achieving deep learning that is transformative and transferable requires a focus on conceptual understanding. During this introductory day participants will explore what it means to teach conceptually and how to organize curriculum around richly provocative challenges that engage students and help them to make connections and see patterns in learning that allows for transfer.

Powering Competencies with Technology

Presented by: *Leslie Fisher*

(2 day series) Nov. 27, 2019 & Feb 26, 2020 9:00 AM - 3:30 PM

(1 day only) November 27, 2019 9:00 AM - 3:30 PM

Through this dynamic learning opportunity, Leslie Fisher will provide participants with a broad overview of technologies available to support dynamic learning opportunities for students. These technology solutions are easy to use and can engage a wide variety of learners. Whether looking to improve access to learning tools that can support students in classroom tasks, searching for new ways to foster communication in the classroom and beyond, or wanting to create new course content, this day will be all about touring and exploring various digital solutions and how they might be leveraged to power competency development for students.
