## SESSIONS & SCHEDULE

Look who's coming to the summit! Take a peek at the [speaker line](#) up below and plan your [event schedule](#).

### About the Summit:

Two days of inspiring keynote speakers, personalized hands-on breakout sessions and a high-energy demo slam to empower you as an educator in the digital age.

Choose from compelling sessions about all the Apps in the G Suite for Education (Drive, Docs, Slides, Sheets, Drawings, YouTube, Classroom, Maps and more) as well as iOS and Microsoft sessions that go beyond the tools that feature cutting edge best practices in educational technology and great teaching!

Connect with world class presentations by our passionate and FUN Spotlight and General speakers. They'll share their passion and expertise on topics like Project Based Learning (PBL), Digital Literacy, STEM, Math, Digital Citizenship, Assistive Technology and more! Best of all, you'll add each of these speakers to your Personal Learning Network and connect with them throughout and after your Summit experience.

EdTechTeam is a global network of educational technologists dedicated to inspiring and empowering other educators. The team operates in 26 states and 23 countries, producing professional development experiences in 9 languages for over 50 thousand educators face-to-face per year. EdTechTeam is an official Google for Education Professional Development Partner, well known for their Google and iOS Summits.

## KEYNOTE SPEAKERS

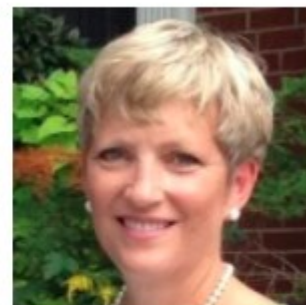

Join the inspiring and passionate group of [Spotlight and General Speakers](#) at the Summit. You'll experience world class presentations by our passionate and FUN speakers – most of them being Google Certified Educators, Google Education Trainers and Google Innovators.
