EVERYONE can be a mathematician!

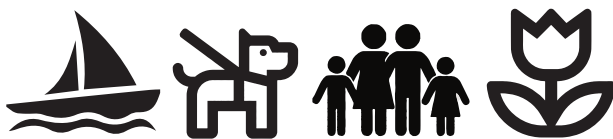

Kathy Charchun is currently a Learning Facilitator with the Southern Alberta Professional Development Consortium. She has been an educator for 30 years serving as a teacher, principal and K-12 divisional Numeracy Lead. In these roles, she has facilitated professional learning sessions on a variety of teaching and learning topics including mathematics, instructional leadership and goal setting and planning for school improvement. Kathy is passionate about promoting highly effective teacher practice, believes in the power of collaboration and is committed to success for all students within an inclusive environment.
