

NRLC a proud member of ARPDC

From Our Executive Director

Professional Learning may not be the first thing that comes to your mind when the calendar flips over into December, but there are few sessions you may be interested in before we head into the holiday season.

Check us out at www.NRLC.net

Be sure to take a look at what we have coming up in January and February. There are tons of virtual sessions that you will not want to miss! As always, registered participants get access to session recordings to view on their own time and schedule so be sure to register even if you can't attend live.

Lastly, don't forget about the asynchronous [LEARN & GO](#) resource website is also available for you anytime, anywhere!
