## Indigenous Learning

Resources will be shared to weave understanding into the grade 7, 8 and 9 content area to authentically connect Indigenous knowledge while planning for your classes. The sessions will prepare you with practical strategies and knowledge that can be confidently embedded into your teaching and learning practice immediately.

What is it and Why is it Important for Language Learning?

NOVEMBER 24, 2022  
3:45PM - 5:30PM MTN

Alberta Regional Learning Consortium

Language learning is not just about learning vocabulary words and grammar, but knowing and using the nuances of spoken and written communication effectively in a wide variety of ways. Researched based strategies will be shared that participants can put into practice for their next lesson.
