

From Our Executive Director

NRLC/ARPDC has a great variety of virtual learning opportunities for you throughout October! Be sure to visit our calendar at www.NRLC.net to check out Learning Opportunities from around the province. Even if you can't attend the session live, most sessions are recorded, and registered participants get access to session recordings to view on their own time and schedule! Don't forget that ARPDC also has plenty of anytime, anywhere asynchronous learning opportunities and resources, across the subject areas, for you to access at our [Learn and Go website](#).

NRLC is also proud to announce the launch a NEW ARPDC webpage to our Empowering the Spirit website, [Orange Shirt Day and Beyond](#). The site features both student and teacher learning, including videos, lesson plans and language lessons from two of our Zone 1, Treaty 8, members Elder Margaret Cardinal and Knowledge Keeper Charlene Noskey. Be sure to visit the site to view all the resources as well as the [calendar](#) highlighting upcoming Indigenous learning opportunities.

Collaborative Response 101: Every Child Deserves a Team

with Kurtis Hewson from Jigsaw Learning

Oct 14, 21 & 28 | 4:00-5:30 PM | Virtual | \$10

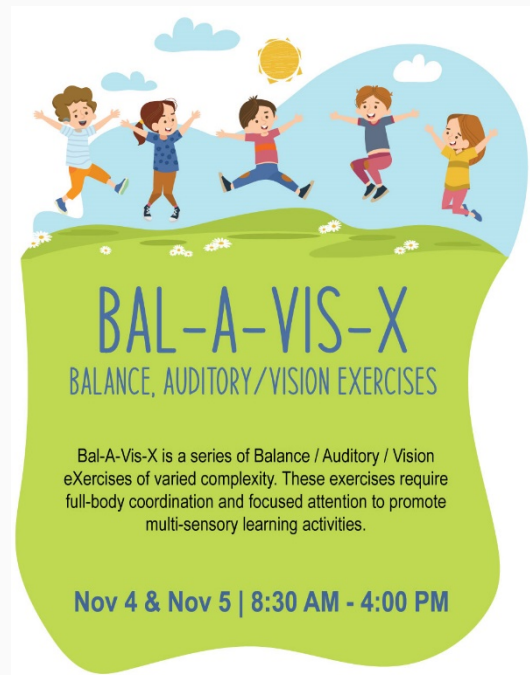

Come learn about Collaborative Response, an organizational mindset that involves some fundamental shifts for schools and districts, such as layering collaborative team structures, transforming how we talk about student needs, focusing on students close to meeting expectations through thoughtful organization of data and evidence and ensuring tiering of supports rather than students. Simple shifts that emerge through a focus on Collaborative Response and the good news is that some likely already exist in your building!

Bal-A-Vis-X - Balance, Auditory/Vision Exercises

with Cheri Johnson, MED, OT/L & Jana Layne Johnson

Nov 4 & Nov 5 | 8:30 AM - 4:00 PM | \$200

This two day session offers a wide range of hands-on practical strategies and tools for school classrooms, and home programs, to significantly strengthen attention span, focus, listening, eye-hand coordination, balance, self confidence, self regulation and social skills to increase school success. Included are hands-on activities that support reading, writing and math that are dependent on key visual perceptual skills.
