

THE BULLETIN

The Official Newsletter for Northwest Regional Learning Consortium

Wishing you well for a great school year!

As you begin to establish new routines with your students, make sure you take time to care for your own needs and check out the professional learning opportunities we have to support you along the way.

NRLC/ARPDC are offering a variety of virtual sessions this fall to meet your needs. Many of our virtual sessions are recorded and available to registered participants for a period after the event so feel free to register and take in the session on your own time schedule!

If you would like to see a specific learning opportunity this year, feel free to drop us a message at nrlcstaff@gppsd.ab.ca
