FIERCE CONVERSATIONS

THE CONVERSATION IS THE RELATIONSHIP

While we may be aware that strong relationships are important in leadership, Fierce Conversations reminds us that the conversation is your relationship with the people you lead.

FULL TRAINING
SERIES

REFRESHER
SERIES

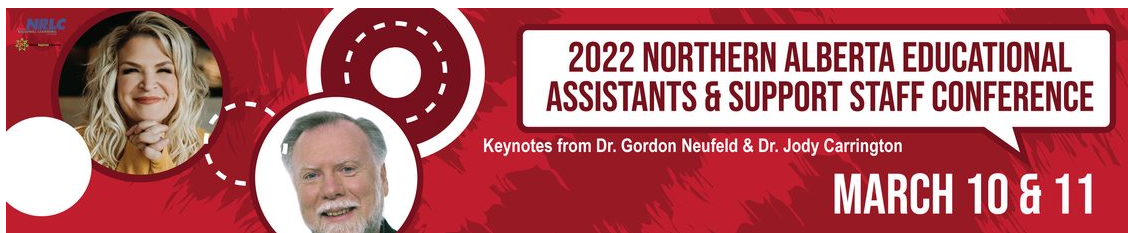

The [full training series](#) is a must for anyone in, or planning to go into educational leadership to create a foundation for consistent and authentic interactions with your colleagues. If it's been a while since you have engaged in The Fierce Conversation training consider taking these [refresher sessions](#) to remind yourself of the conversation techniques that help you have confident, honest and authentic interactions with your colleagues. Work together with other educational leaders to maintain your confidence in having honest and authentic interactions with your staff. The [professional learning community](#) will give active educational leaders a chance to meet with colleagues to practice having those hard conversations.
