

## **NRLC a proud member of ARPDC**

The Northwest Regional Learning Consortium (NRLC) provides quality professional development that is responsive to its learning community members' needs as they work to enhance student learning

### **FROM NRLC STAFF**

Thank you to all of the administrators, teachers and support staff who pulled together to help your students and your families, and each other.

These times have challenged us and offered us new opportunities every single day.

Together, we have responded to the best of our ability and in the best interest of our students.

**Enjoy your summer!**

# CURRICULUM IMPLEMENTATION SUPPORT

Our Learning Facilitators are available for sessions to support groups of teachers working with the new curriculum. We can provide sessions of various lengths that are customized to the needs of your group. The facilitators can introduce teachers to the [new.LearnAlberta](#) website and the features of the curriculum. A deeper dive could include aspects of planning and assessing for learning.

## Teacher's Introduction to the New K-3 Curriculum

with Angela DesBarres

For Classroom Teachers who are new to the profession or taking their first beginning look at the new curriculum or a review of the new curriculum.

When you register for this learning opportunity, you will receive a link to download a learning guide which will prompt you through the learning.

ON DEMAND LEARNING

More opportunities and resources coming! Keep an eye on our [website](#) and [social media](#) pages for up to date information.

---

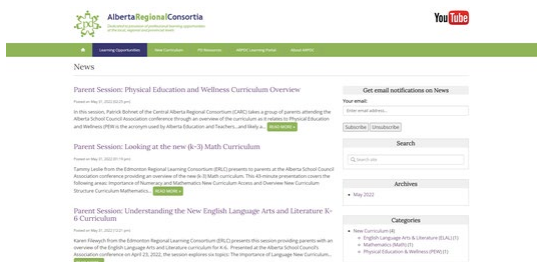

ARPD has been hard at work creating and collecting resources for curriculum implementation. We are updating the [ARPDC website](#) regularly with new and helpful resources including; a calendar of all learning opportunities, ongoing expandable supports and more!
